

Upgrade from your current landline service to our new **Business Connect Service**

Keep your phone & your phone number

- Simply plug your phone into your new Home Connect device!
- E911, unlimited calling, Caller ID and more!

Improve Reliability

- Provides a consistent, reliable signal.
- Includes battery backup
- Better than noisy copper lines, vulnerable to cuts and damage!

Significant savings every month

- No fees and surcharges
- Avoid constant rate increases for copper maintenance

***Save* up to
\$30/month**
