The Power of One

One bill, one person to call, all types of Internet!

Purchasing your Internet service from one supplier is not only more efficient, but also more cost-effective. Let Clear Rate consult with you to find the best provider, internet type and price point to meet you needs.

Clear Rate Advantages

Full Suite of Internet Products

- Broadband - coax or fiber
- Dedicated Internet Access (DIA)
- Fixed wireless

24/7 US-based Support

Get fast, reliable technical support, with no long waits for cross-vendor troubleshooting or multiple tiers of service.

One Bill for All Services

We manage billing across providers, locations and other voice and managed services purchased from Clear Rate.

Advanced Network Operations Center

State-of-the-art command center constantly monitors network connectivity and performance, ensuring your data and voice can always get through.

25-year History of Innovative Technology

Ensuring your network benefits from the latest technologies and communication efficiencies.

Business Continuity with Diverse Providers Technology

Ensure 100% connectivity by using multiple internet providers, that automatically reroute during an outage.

Connect with the Power of One

One invoice, one service number, one highly-rated vendor. Streamline your communications and simplify your business. Clear Rate offers a package to fit every business and budget.
