

Your business never quits. Why should your phone service?

Voice Backup for Business

Stay connected when your primary phone connection fails!

This service is designed for business continuity and peace of mind knowing your calls will always get through. In the event of a service outage, Clear Rate will deploy a secondary communication channel automatically, allowing you to continue working until your primary connection is restored.

Activates Automatically

If an outage occurs, the fail over connection will begin working for uninterrupted service

Best-In-Class Customer Support

If any questions or issues arise, our customer care is available to assist at 877-877-4899.

Reliable Wireless Connection

Our backup network is designed for high availability.

One provider, one invoice, one dedicated contact —offering boutique, Michigan-based service. We coordinate across vendors to offer custom solutions at the most competitive price.
